

South Grenville Star of the Week is...

From a nomination for Loralea: "I am super Immune-compromised as I have Multiple Sclerosis. Loralea is a friend of a friend; she didn't know me. She took the time to get a list from me and complete and deliver my groceries for me. There was a specific item that I asked for that the stores did not have, so about a week after, she was in Costco with her daughter and spotted my item. She grabbed it and dropped it at my front door. She has also checked in on me from time to time. As well, she organized a drive-by birthday party for a six- year-old boy in our community! Hats off to you Loralea, you are what makes this community so amazing! Thank you is just not enough."
