

# South Grenville Star of the Week is...

**Mathew  
McGuire**

From a nomination: "Mathew works for the Leeds and Grenville Roads Department. During summer months, he mows the ditches and intersections along the county roads and this improves visibility at intersections, helps to control the growth of weeds, and improves the appearance of our roadways. The weather this year has been extremely hot for working outdoors and despite the comforts of a tractor with a cab, I'm sure it was not the most comfortable place to work. Mathew is meticulous about the mowing details and he does his task as if it were his own property. He is to be commended for his efforts!"
